Emily (30) a professional rider is based near Tunbridge Wells, Kent, where she runs a competition yard. For the last three years she has been a member of the lottery funded World Class Potential squad.

Having learnt to ride from the age of four Emily decided to focus on eventing after moving from ponies. She was loaned Welton Airbourne and in 1998 after winning the Junior trials gained team gold at the European Championships in Bialy Bor. After school and about to embark on a Theology course Emily decided instead to make horses her full-time career. With Welton Sparkle Emily contested her first four-star competition completing at Burghley in 2004. Drivetime was bought five-years ago when Emily started riding for owners Lord and Lady Harris. With a consistent track record since and after winning the World Cup qualifier at Haras du Pin and finishing best of the British in the Aachen CIC*** last year, she and Drivetime were selected reserves for the World Equestrian Games. As she was not needed she and Drivetime travelled to Pau to finish the 2010 season but Emily got flu and was unable to compete after the dressage. In 2009 she won a car after winning the Hartpury International three-star and was second at Blenheim CIC***.

Drivetime, bought as a nine-year-old from his former rider Terry Boon, is a Dutch Warmblood (KWPN) by the Westphalian stallion Rolls Royce out of a Etronora Zuidhorn (KWPN). Etronora is also the dam of show jumper Kijoy for Ever (by Purioso) who was formerly competed by Albert Zoer
